Experience

Co-Editor The Global Observer	Sept 2025 – Present
• Oversaw editorial workflow for 10+ student-contributed stories across global, political, media, and culture beats, ensuring journalistic accuracy and stylistic consistency.	
• Produced and edited feature pieces that strengthened the publication's international student engagement.	
• Led a team of 10+ contributors, refining structure and implementing a feedback process that improved publication efficiency and increased reader engagement.	
Research Assistant Department of Political Science, Northeastern University	Sept 2025 – Present
• Supported an eye-tracking study involving 100 participants to analyze attention patterns toward politically charged visual content.	
• Conducted literature reviews on visual cognition and political communication to inform experiment design and hypothesis formulation.	
Content Writing Intern Otakukart	May 2024 – June 2024
• Wrote and published 15+ analytical articles on international affairs and politics.	
• Ensured editorial accuracy and content consistency through structured revisions, improving publication turnaround time.	
• Collaborated with editors to align tone and SEO strategy, helping maintain a steady traffic growth during the internship period.	

Projects

Sounds of Uncommon Audio Podcast Interview	Sept 2025 – Present
• Produced an audio story about Boston street performer Marshall Morgan, exploring his motivations and challenges through narrative audio design.	
Inside the Boston City Archives: Preserving the City's Hidden History Video Feature	
• Produced a video feature with the Chief Archivist of Boston that showcased rare historical records and emphasized the importance of sustained archival funding.	
Crisis Management Memo: Kyte Baby Strategic Communication Project	
• Developed a crisis-communication memo proposing strategy and tactics to manage public backlash and rebuild brand reputation.
